

**REMARKS**

Claims 93 and 98, previously noted as allowable, are rewritten in independent form. Claims 52-54, 57, 58, 92, 96, and 97 are here cancelled without prejudice. Claims 93-95 and 98 remain, with those claims having been indicated as allowable if rewritten in independent form.

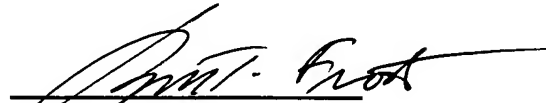

Claim 93 also is revised by changing the "region further comprises", in line 1 of that claim as previously presented, to --the region comprises--. This revision is made to avoid a possible antecedent problem, because former parent Claim 52 did not characterized the "region" as comprising anything. The revision is not submitted to enlarge or diminish the scope of Claim 93.

Claim 98 also is revised to recite "... the location of the vehicle", and to change "unauthorized idle time" to --unauthorized stationary time--. Antecedent basis for those revised terms is in former independent Claim 58, now incorporated into Claim 98, and the revisions are not submitted to enlarge or diminish the scope of Claim 98.

The foregoing is submitted as a complete response to the Office Action identified above. The Applicants submit that the present application, containing only claims previously indicated as allowable, is in condition for allowance, and the Applicants solicit a notice to that effect.

Respectfully submitted,

MERCHANT & GOULD
